Earth Day<sup>®</sup>  
CANADA

A part of  
NPSC's Earth Day  
celebrations!

Please recycle  
this paper!

Electronic waste is a growing concern globally. NPSC invites the entire community to help us do our part locally. On Monday, drop off your unwanted electronics knowing they will be safely disposed in an environmentally friendly manner by a government-certified recycler.

Proudly hosted by  
the Nipissing-Parry Sound Catholic District School Board  
in partnership with Greentec Recycling Solutions
