POLICY STATEMENT

The Nipissing-Parry Sound Catholic District School Board has the responsibility, as do all boards of the Province of Ontario, to promote academic excellence by providing quality educational programs and services. The distinctiveness of this Board and all Catholic school boards is derived from its added responsibility to integrate and proclaim God's love as committed witnesses and guides in the multi-faceted life of its schools.

VISION STATEMENT

Rooted in Faith • Alive in Spirit

Rooted – indicates that the Catholic faith is the foundation upon which our Board exists and operates. Like a tree, the Catholic faith represents the roots, anchoring and giving us stability. The roots also represent the point where nourishment enters and gives life. The Catholic faith gives life to our students and to our Board community.

Faith – represents the Catholic faith. Our Catholic School Board is built on the traditions, teachings, practices and values of the Roman Catholic Church. These elements must be present in everything the Board undertakes and provides.

Alive – reflects excitement, energy, life, challenges, hope and joy. It gives a sense of vitality and purpose to our Board community as it brings to life the potentials of each student, the richness of our Catholic faith and the realization of the aspirations of all the individuals in our Board community.

Spirit – outlines the importance of the Holy Spirit as part of the Trinity. It is the action of the Holy Spirit guiding our spirits. A Spirit for both faith and life. It is through the guidance of the Holy Spirit that each member of the community, each learner, staff member, parent and stakeholder is energized, grows, learns, is motivated and is guided to achieve their potential and be a contributing member of their community, church and society.
