SUBJECT: ACCOUNTABILITY OF THE DIRECTOR OF EDUCATION

POLICY STATEMENT

The Director of Education (Director) is the Board of Trustees' only link to operational achievement and conduct, so that all authority and accountability of staff, as far as the Board is concerned, is considered the authority and accountability of the Director.

1. The Board of Trustees will never give instructions to persons who report directly or indirectly to the Director.
2. The Board of Trustees will not evaluate, either formally or informally, any staff other than the Director.
3. Since the Director is accountable for operational achievement, the board will view Director performance as identical to organizational performance.
